<i>Opening Scene: Aerial shots of the sprawling DEBESMSCAT campus, lush greenery, and vibrant student activities.</i>	Welcome to Dr. Emilio B. Espinosa Sr. Memorial State College of Agriculture and Technology — where transformation truly begins. Lies in the heart of Masbate, DEBESMSCAT stands as a beacon of quality education and a home for nurturing future-ready professionals.
<i>Cut to photos and documents with a historic look showing the founding of an institution and its evolution.</i>	Founded in 1952 as Masbate National Agricultural School and renamed Masbate Agricultural College in 1966, the institution has always been part of Masbate's story of growth and progress. In 1976, it became Dr. Emilio B. Espinosa, Sr. Memorial Agricultural College, or DEBESMAC. By virtue of Republic Act 7945 in 1995, it transformed into the province's lone state college: Dr. Emilio B. Espinosa, Sr. Memorial State College of Agriculture and Technology, or DEBESMSCAT. Then, upon the passage of the Republic Act 11171, this vision reached another pedestal as we transitioned to become a full-fledged and sole state University in the island Province of Masbate, the Dr. Emilio B. Espinosa, Sr. Masbate State University or "DEBESMSU".
<i>Cut to Charter Day activities, cultural deliberations, and historical exhibits with students, faculty, and more.</i>	Every March, we join forces to celebrate our Charter Day, a tradition that does not only commemorate our founding but also the spirit of unity and community that characterizes DEBESMSCAT. It is a day filled with pride as we reflect upon our journey and what we have achieved thus far as one family.
<i>Panoramic views of key landmarks, modern buildings, classrooms, and student spaces across the Mandaon and Cawayan campuses.</i>	Our campuses are more than just classrooms; they are living spaces where growth and innovation thrive. The 3,663-hectare campus in Cabitan, Mandaon houses five colleges and a graduate school namely: The College of Agriculture The College of Arts and Sciences,

	The College of Industrial Technology, The College of Engineering, and The College of Education. Meanwhile, our Cawayan campus, spanning 1.5 hectares, offers specialized programs in a focused and nurturing environment. Across both campuses, advanced and up-to-date facilities blend seamlessly with nature, inspiring academic excellence and creativity.
<i>The scene shifts to research students out on the field, extracurricular practices, and students in community outreach programs.</i>	At DEBESMSCAT, education extends beyond the four walls of the classroom. Our students explore, innovate, and serve , through pioneering research, dynamic extracurriculars, and meaningful community outreach. Research and extension remain central to our mission, as we forge partnerships and strategic linkages that empower our students and uplift communities. Notably, the International Research Opportunities, Development, and Extension Outcomes or the IRODEO Conference. In its second year, DEBESMSCAT united over 200 global scholars and researchers, The research conference coincided with the Rodeo Masbateño Festival, reinforcing DEBESMSCAT's commitment to intertwining research, culture, and community development. The initiative engaged in a variety of activities, including research presentations, knowledge-sharing sessions, and creative extension showcases that highlighted the relevance of innovation and inclusive development.

<i>Scenes of graduates, board passers, and testimonials. (Clips/Pubmat)</i>	Our commitment to academic excellence shines through the success of our graduates: In 2019, we celebrated our fourth national topnotcher in the Agricultural and Biosystems Engineering Licensure Exam. In 2022, a graduate secured the 7th spot in the Licensure Examination for Teachers. And in March 2024, yet another topnotcher for Licensure Examination for Teachers achieved the 10th spot nationwide. These achievements reflect our faculty's dedication and our students' relentless pursuit of excellence.
<i>Rodeo Festival footage: students dancing in colorful costumes.</i>	More than an academic institution, DEBESMSCAT proudly embodies Masbate's rich cultural heritage.

	As the Rodeo Capital of the Philippines, our students showcase this vibrant tradition through dance, music, and shared celebration, bringing the Rodeo spirit to life on campus
<i>Footage of Dr. Arnel B. Millesca, new projects, and campus improvements.</i>	Guiding this transformative journey is our dynamic president, Dr. Arnel B. Millesca. Bringing the principle of T.E.A.M. — Together, Everyone Achieves More — he has launched groundbreaking initiatives and more first in the institution’s history. His 'DAMGO' for Masbate inspires us to innovate boldly, stay inclusive, and remain impactful for generations to come. As a visionary leader, Dr. Millesca has championed initiatives that ensure every voice is heard. One of the most notable is the annual Student Dialogue, personally presided over by the College President himself — a platform where students can directly raise their concerns and inquiries. Under his administration, the journey toward achieving the highest standards of institutional excellence began. The college is working tirelessly to regain its ISO certification and to qualify for the country’s prestigious institutional recognition, the Philippine Quality Award. In a prominent academic shift, DEBESMSCAT’s Graduate School is now transitioning to a tri-semester system, a pioneering move not just in Masbate, but across all State Colleges and Universities in the Bicol Region. This academic innovation strengthens the College’s commitment to delivering responsive, inclusive, and globally competitive graduate education, enabling adult learners and professionals to thrive in a dynamic world. DEBESMSCAT has been recognized as one of only nine Delivering Higher Education Institutions in the Bicol Region qualified to offer graduate programs under CHED’s Scholarships for Instructors’ Knowledge Advancement Program or SIKAP. Through this grant, the College now offers opportunities for personnel pursuing advanced degrees such as Doctor of Philosophy in Science Education, Doctor of

	Philosophy in English Language Education, and Master in Public Administration — addressing the long-standing challenge of graduate program accessibility in the region. To further upskill and empower its workforce, several faculty and staff were also qualified for admission to the prestigious Leadership and Management Certificate Program at the Wharton School of the University of Pennsylvania, under CHED's HUSAY (Higher Education Upskilling and Studying for Advancement of Staff and Youth) initiative. These are not just milestones, they are positive steps forward under a leadership committed to excellence, inclusion, and progress.
<i>Footage of award ceremonies and certificates.</i>	In July 2024, our dedication to exceptional education was nationally celebrated when DEBESMSCAT, led by Dr. Millesca, received an award for achieving a 100% Certificate of Program Compliance (COPC). This significant milestone reflects our deep-rooted commitment to upholding the highest standards of academic excellence and quality across every program we offer.
<i>Scene transitions to footage of relations with local and international institutions, and student mobility and achievements. MOA/MOU signing with international partners. International Travels.</i> <i>Graphics with list of International and local Universities and Colleges with MOA or Partnerships attached their logo.</i>	Through strong linkages with both local and international institutions, DEBESMSCAT broadens horizons for students and faculty alike. From hosting pre-service teachers and exchanging students to international universities and institutions to collaborations with national agencies and academic bodies, we cultivate globally minded graduates ready to lead anywhere.
<i>Footage of Graduation ceremonies, students receiving documents, and a</i>	The 30th Commencement Exercises at DEBESMSCAT were truly historic. Driven by Dr. Millesca's initiative for future-ready education, a remarkable first in the institution's 73-year history,

<i>celebrating families during the ceremony</i>	all 1,617 graduates from the Class of 2025 on both campuses received their complete employment-ready documents. This included Transcripts of Records, Diplomas, and Civil Service Certificates of Eligibility for Latin honor students. This event went beyond celebrating academic achievement; it marked a significant turning point in DEBESMSCAT's journey to become a truly student-centered and future-ready state university. This milestone proudly reaffirms our dedication to enhancing administrative efficiency and ensuring our services perfectly align with the evolving needs of our students.
	Most recently, in July 2025, another first time in its history, the DEBESMSCAT has earned international acclaim in the 2025 World University Rankings for Innovation (WURI) DEBESMSCAT proudly secured its place as the Rank 370 Innovative University in the world, alongside notable distinctions in key global categories: Rank 32 – Empowerment-Based Management Rank 34 – Industrial Application Rank 47 – Student Mobility and Openness This remarkable achievement places DEBESMSCAT among 1,253 higher education institutions from 87 countries, with over 4,866 innovative programs evaluated worldwide. Fueled by our unwavering passion for innovation, social responsibility, and student-centered learning, we continue to lift not just our institution, but the entire Bicol Region onto the global stage. A proud testament to the Province of Masbate's progress and rising excellence, this milestone highlights DEBESMSCAT's steadfast dedication to sustainable innovation, inclusive development, and education that meets global standards.
CLOSING: <i>Graduation moments, successful alumni, and vibrant student life.</i>	Being the lone state college in the Province of Masbate, DEBESMSCAT is the leading beacon in the realm of education, agent of change, and center of innovation. Our transformation journey never stops while we continuously create ripples of change that intertwine for us to realize our

	collective potential. We make the future—Masbate and Beyond—Happen.
<i>Final shot: On screen, the logo of the university appears with its tagline: 'DEBESMSCAT: Where Transformation Begins.'</i>	Indeed, DEBESMSCAT is Where Transformation Begins. Together, Everyone Achieves More
