Regional Director
Commission on Higher Education – ROV
Legaspi City, Philippines

Dear Director Anduyan:

Greetings of peace!

In connection with the ongoing Regional Quality Assurance Team (RQAT) compliance requirements for the DEBESMSCAT Graduate School programs, we respectfully request for an extension of the submission deadline on or before October 15, 2025.

This request is necessitated by the recent onslaught of Typhoon Opong, which gravely affected the Province of Masbate. The province suffered from widespread power outage and disruption of internet connectivity, rendering us unable to finalize and transmit the required compliance documents on time.

We sincerely ask the indulgence of your good office to grant this extension until October 15, 2025, to allow us to complete the submission once electricity and stable internet connections are restored in our locality. Rest assured that we remain committed to addressing all recommendations and requirements of the RQAT for the continued compliance and improvement of our graduate programs.

We hope for your kind understanding and favorable consideration.

Thank you very much for your support.

Very truly yours,

ARNEL B. MILLESCA, Ed.D., JD.
